Freemont Academy,

Dear Sean,

Marney and I do not know how to express our appreciation and gratitude to you and your teachers. When our daughter, Jessian came to you in grade 11, she was struggling with most of her subjects. Although a bright girl, the large size of York Mills Collegiate impacted on her negatively. Her self confidence and self esteem, so tied into her success at school, were dismal.

Two years later she has become an academic success with over a 90% average. Her self-esteem has gone through the roof (we have to bring her down to earth sometimes, but we do not mind). She is happy and proud of herself. She has been awarded scholarships at every university she has applied to. Her toughest decision is where to go.

Special thanks to Eva, Jane, Jeff and Cory, excellent teachers who encouraged her all the time.

Yours truly,

Gary Opolsky
